

SDIRC MOONSHOT LITERACY LANE

*fueled by The Learning Alliance in support
of the Moonshot Moment 90% Literacy Goal*

SDIRC Moonshot Literacy Lane combines the joys of reading and walking by placing the pages of a children's story along a walking route. Each stop contains a story page plus fun questions/activities to improve literacy skills.

The featured book is *SCAREDY SQUIRREL* by Melanie Watt. The round trip route begins at the Main Library and is approximately .75 miles. Use this map as a guide.
